Dear Mr. Molchan:

Paulus, Sokolowski and Sartor has been contracted by Chester Township, New Jersey to study the Combe Fill South landfill and to make recommendations regarding the closure of the landfill with a special emphasis on environmental considerations.

Pursuant to this effort it is necessary that our staff visit the site to get first-hand knowledge of the general appearance and conditions there.

We therefore request permission for Diane Werbin of our staff to visit the site at a time agreeable to both parties.

Thank you for your cooperation.

Very truly yours,

PAULUS, SOKOLOWSKI AND SARTOR
